Community Day Suggestion

A resident, who also volunteers during the picnic, sent an email suggesting that we have a classic car show during the event next year. Members were receptive to the idea but had concerns that the extra vehicles would take up much needed parking spaces. It is a possibility that a grassy area could be roped off for classic cars. This idea will be added to the Townships suggestion list.

October Newsletter

The Township is preparing for their next newsletter coming out in October. Bert Diehl will write up an article about Stewart Landies from Residence Artists building the dugouts at Township Park.

Flea Market – Recap

The Flea Market started with a drizzly morning which hurt the participation of both the vendors and shoppers. Only half of the vendor's showed for the event. The \$1 entrance fee was waived for all attendees since the turnout was so low. Board members will decide next year if they will hold the event indoors or possibly just hold the indoor flea market in the spring.

The meeting was adjourned at 6:50pm. The next meeting will be held Monday, October 8, 2018 at 6:15pm at Munson Town Hall.
