

To our Munson Residents,

We want to personally share an update on our efforts to help support our residents and community during the COVID-19 pandemic.

Munson township is monitoring the latest reports from the County Health Department, Ohio Department of Health and the Centers for Disease Control (CDC)., and we are taking a number of precautionary measures for the health and safety of our residents and staff. We have all of the resources in place to provide you continued and safe services as we navigate this unprecedented and evolving situation

Remember that the best thing you can do in the face of COVID-19 is to take precautions to protect yourself, your family, and our community:

- Wash hands often with soap and water for at least 20 seconds; dry hands with a clean towel or air dry hands.
- Use alcohol-based hand sanitizer when soap and water are unavailable.
- Cover your mouth with a tissue or sleeve when sneezing or coughing.
- Avoid touching your eyes, nose, or mouth with unwashed hands.
- Stay home when you are sick.
- Avoid contact with people who are sick.
- Clean “high-touch” surfaces daily. These include counters, tabletops, doorknobs, light switches, bathroom fixtures, toilets, phones, keyboards, desks, and tablets.

**If you have questions regarding Coronavirus/COVID-19  
please call 1-833-4ASKODH (1-833-427-5634<sup>®</sup>) or on the web @  
[coronavirus.ohio.gov](https://www.coronavirus.ohio.gov).**

Thank you in advance,

*Munson Township Trustees*
